Help Improve the Energy and Water Efficiency of Los Angeles' Existing Buildings

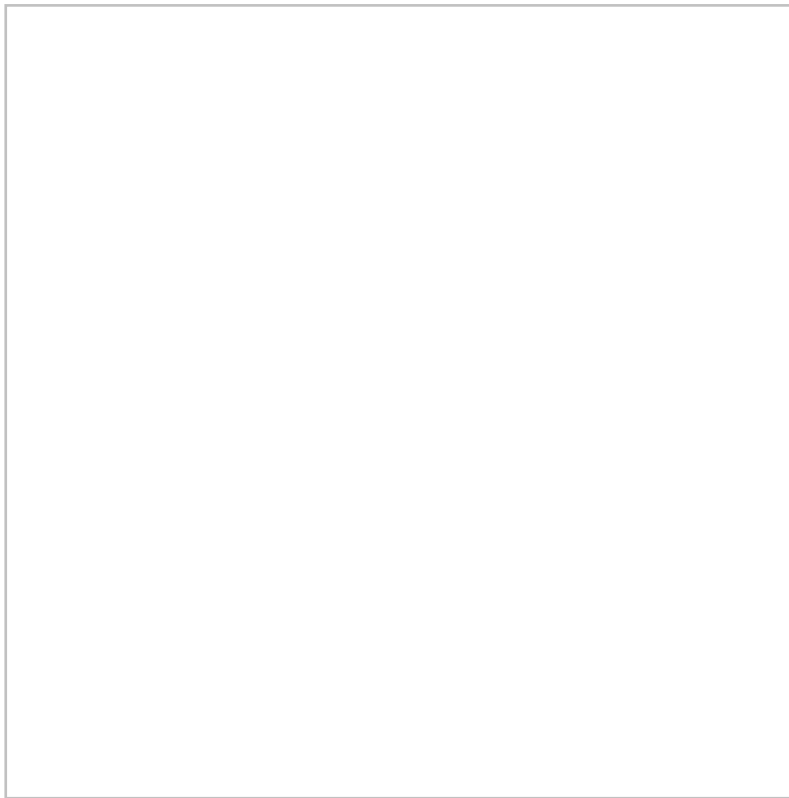

Over the last six months, the [LA Existing Buildings Stakeholder Group](#) has hosted a series of productive meetings gathering ideas and insight on how to reduce energy and water use in LA's existing buildings. [July 28th](#) will be the final stakeholder workshop summarizing the proposed program based on stakeholder feedback. It will be another opportunity to ask questions and provide input.

Final Workshop:
Tuesday, July 28th
9:00am - 11:00am
Los Angeles City Hall
200 N. Spring St.

You can register for the final stakeholder workshop [here](#).
